 - a. The Mixed Tees competitions have been implemented without any technical problems. Last week (Medal) 17 out of 70 participants played from the white tees. In this week's Stableford 15 out of 60 chose white tees. Some members have expressed opposition to the Mixed Tees format because they believe competitions should be based on all players playing from the same tees. However, England Golf actively encourages Mixed Tees competitions and the Playing Handicaps are adjusted accordingly to ensure a "level playing field" for all players.
 - b. There has recently been discussion regarding what is the official disciplinary procedure, and what role the Seniors Committee play in it. This question was raised at the latest

Main Club Committee meeting and it was clarified that only the Main Club Committee have the authority to take disciplinary action, in conjunction with the General Manager where appropriate. Details are included in the June minutes, which are available to view on the Main Club website. It may however be appropriate in some cases for the Seniors Committee to act as mediators in situations where early intervention may prevent incidents requiring disciplinary action.
