Captains Putting Competition

Key Competition Guidance

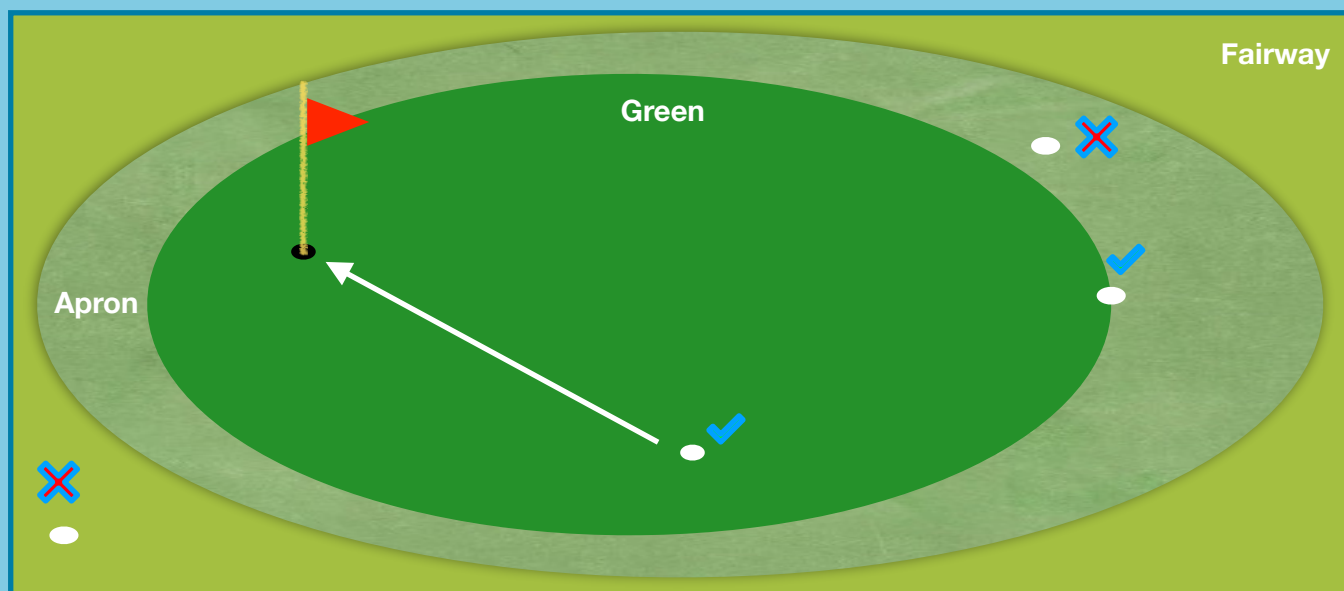

Any stroke taken when the ball is on the green counts as a putt.

If ANY part of the ball is on the green, it is deemed to be on the green (Rule 13.1a).

In all instance a max of 4 putts to be recorded per hole, therefore scores will range from 0 to 4. (e.g. Pick up will score 4)

Note - Chip/Putt in from fairway or apron does NOT count, therefore will score 0

If in doubt refer to marker.
